3. I am a proposed class representative in Clarent.
4. I am a Lead Plaintiff in Clarent.
5. I submit this declaration in support of my application for a compensatory award in consideration of my services and responsibilities as a representative party in this case.
6. I have monitored the progress of the case from the outset. I have been in regular contact with the Executive Committee of Plaintiffs' Counsel throughout the litigation both to discuss the factual allegations, legal issues and case strategy. I have called counsel on occasion and was in regular contact with various attorneys and/or legal assistants at the law firm of Bernstein Liebhard LLP throughout the eight years of this litigation.

Among other things, I reviewed drafts of pleadings, pleadings, discovery requests and various status letters sent to me by my counsel in order to keep myself informed of the events in this litigation and to act in the interests of the Class. 8. I have kept track of my time being involved in this litigation and have expended approximately 40 hours on this case since its inception in 2001. Had I not been working on this litigation, the time I spent would have otherwise been directly devoted to my employment as a OEM Sales Director and therefore amounts to foregone income and opportunities. During the course of this litigation, my maximum compensation level, measured on an hourly basis was \$60 per hour. As a result, I respectfully request reimbursement for \$2400 to be paid out of the Settlement Fund upon the settlement being approved.

9. Apart from compensation for my losses resulting from purchases of the IPO securities as provided in the Settlement, or pursuant to this application for reimbursement of my costs and expenses, I will not be paid, directly or indirectly, any money for participating in this lawsuit.

10. At all times during this litigation, I have taken my obligations as a representative party seriously and have been committed to performing my duties in a manner that benefits the best interests of the Class.

11. I declare under penalty of perjury that the foregoing is true and correct.
